

Dear Guest,

Thank you for your interest in the Orangevale History Project! If you are interested in Orangevale's past and the preservation of our history, we are the Group for you! The Mission of the Orangevale History Project is to find, save and share the history of Orangevale, educate the Community, and be a source for researchers and students.

The Orangevale History Project became a historical society in March 2022.

We are governed by Officers and a Board of Coordinators.

Our membership includes local folks interested in the preservation of Orangevale's history. Local historians as well as writers, collectors, fund raisers and folks with technical expertise have rallied together with one goal, the preservation of our history. Our findings are shared through monthly presentations, a newsletter, website, YouTube channel, social media and newspaper articles.

Our Orangevale History Museum opened on July 15, 2023!

OV History Museum is located at 6920 Hazel Avenue on the OV Community Center Campus.

The Museum, staffed by volunteer Docents, features rotating exhibits.

Museum hours are Tues. 12n – 4pm, Thurs. 12n – 4pm, Sat. 12n – 4pm,

We trust you will find value in our mission and join with us in membership today!

The membership application is attached!

Today is a good day to become involved and join with us!

Presentation meetings: 1<sup>st</sup> Wednesdays monthly @ 6:30pm

6930 Hazel Ave #B

Find meeting information in OV View and FB group OrangevaleHistoryProject
